Leadercast Jonesboro

2014 Theme: Beyond You

Our jobs ask much of us. And so do our lives. Employees, families, our boss. We have every reason to spend our time focused on what we need to do in order to succeed.

Yet, leadership calls us to more.

Leadership is beyond the confines of our daily tasks. Beyond the borders of our roles and responsibilities. Leadership asks us to look beyond the everyday and consider the larger community around us — our employees, colleagues, neighbors, and cities. Leadership beckons us to look longer, wider, larger. We are asked to look not only inward, but also outward. Beyond ourselves.

Join us at Leadercast Jonesboro this year as we explore together what leadership looks like *Beyond you*.

This event will be simulcast live from Atlanta directly to Arkansas State on

Friday May 9th, 2014 from **8:00 a.m. to 3:30 p.m.**
